COMMENTS

Writing Task 1	Writing Task 2	Speaking
Well done! Remember to always find synonyms in order not to rehiterate and try not to give your personal opinion about what you are illustrating. Compare figures (percentages, in this case) and give a conclusion.	Well done! You used a great deal of different vocabulary and expressed your ideas clearly and with an overall progression. Pay attention to the prepositions to use after certain verbs and revise the use of the definite article 'the'.	In part 1 and 2 your answers were not recorded. I'm not going to take that into account since the day of the exam you will actually speak with someone, but be careful. The mark you receive will not be complete. Nonetheless, in part 3 you need to speak for about 1 minute (per question). Use a wider range of vocabulary and try not to be repetitive.
